

Manu Prasad S

Bengaluru (Bangalore) Urban • manuneeraj567@gmail.com • 9886739565

SUMMARY

Highly-motivated employee with desire to take on new challenges. Strong work ethic, adaptability, and exceptional interpersonal skills. Adept at working effectively unsupervised and quickly mastering new skills.

PROFESSIONAL EXPERIENCE

Kodnest Technologies Bengaluru, Karnataka, India
Software Development Intern 04 Aug 2025 - Present

- Learning and building Java-based applications using OOP concepts and wrote optimized code following industry standards.
- Developed responsive UI components using React.js, JavaScript, HTML, and CSS.
- Worked with MySQL to design schemas, perform CRUD operations, and write optimized SQL queries.

PROJECT EXPERIENCE

- **TaskBuddy**
 - TaskBuddy – React Task Management App Created a task management app using React, JavaScript, and localStorage. Implemented add/update/delete functionality and real-time progress tracking. Designed a responsive UI improving user engagement. Reduced task handling time by 40% through efficient state management.
- **College Database Management System**
 - Developed a college database management system using SQL and Python to manage student, faculty, and course records. Features include efficient record handling and academic report generation, improving administrative efficiency by streamlining data management and retrieval processes.
- **Face Recognition System**
 - Developed a facial recognition system using Python and OpenCV to streamline club member attendance and work hour tracking. The system performs real-time face detection and recognition from live feeds or images using machine learning algorithms, trained on known datasets for accurate identification, improving efficiency and accuracy.
